Job Description

Job Overview

Core Energy Recovery Solutions Inc. is a leading manufacturer of **energy recovery and ventilation products**. We are seeking motivated and reliable **General Labourers** to support our production and assembly operations in Vancouver. The successful candidates will assist machine operators and production staff to ensure efficient manufacturing and timely delivery of high-quality products.

Key Responsibilities

- Assist production staff and machine operators with assembling energy recovery and ventilation units
 - Load, unload, and transport materials and components within the production area
 - Prepare workstations and organize materials for assembly and manufacturing tasks
 - Perform manual labour such as lifting, carrying, stacking, and moving materials safely
 - Maintain the cleanliness and organization of the manufacturing floor
 - Follow standard operating procedures and safety protocols at all times
 - Perform other general labour tasks as required to support manufacturing operations
-

Qualifications and Skills

- Ability to perform physically demanding work (lifting up to 50 lbs)
 - Ability to follow instructions and work effectively as part of a team
 - Basic English communication skills required
 - Previous experience in a manufacturing, warehouse, or production environment is an asset, but not required
 - Willingness to learn and perform repetitive tasks accurately
-

Working Conditions

- Indoor manufacturing environment
 - May be required to stand for long periods
 - Adherence to all health and safety regulations
-

Benefits

- Vacation pay and statutory holiday pay in accordance with BC Employment Standards

- Opportunity to gain experience in the manufacturing and energy recovery industry
- Stable, full-time employment

How to Apply

Interested candidates are invited to submit their resume to: **cailiegh.mackay@core.life**

To apply for this job vacancy, please send your resume along with a cover letter and a reference letter from your previous employer to the following email: cailiegh.mackay@core.life
